

## THE LORD'S SUPPER

### Jesus Christ Our Justification

May 5, 2019

Our passage this morning details for us three realities about justification.

Understanding justification brings the security and determination necessary to live for Christ.

Living for Christ is where fulfillment and purpose are found.

**#210 Jesus Paid It All** (vv. 1, 3)

## **OBSERVANCE OF COMMUNION**

**The Bread (His Body) vv. 23-24 #105 "He Is Lord" (chorus)**

## **Conclusion**

May our lives testify of our redemption.

May our faith be in Christ alone and never our works.

Through dependence on the Holy Spirit, may we bring Christ \_\_\_\_\_.
